FACIALS

Our Escape Spa primarily uses PHYTOMER, our exclusive French line, made with highly effective marine ingredients and sodium-reduced seawater, will optimize cell renewal, provide a soothing and replenishing effect leaving your skin rehydrated and radiant.

For a local facial experience, we use our ESCAPE SPA HIBISCUS LINE. The products are infused with hibiscus and local virgin coconut oil and produced by local Naturopathic doctors trained in Canada. Hibiscus is considered Natures Botox. It is the only flower that possesses natural Botox properties. The richness of vitamin C promotes collagen production and helps tightening the face, making it firm for a younger look.
